

COMBI-GEN[®] Site Welfare Units

The ONE STOP solution to all your site needs!

Rawley Plant Ltd. are proud to supply site welfare units which meet the following Health and Safety Welfare Regulations in one self-contained, self-powered, anti-vandal unit.

Regulation 20	Sanitary conveniences
Regulation 21	Washing facilities
Regulation 22	Drinking water
Regulation 23	Accommodation for storing and drying clothing
Regulation 24	Facilities for changing clothing
Regulation 25	Facilities for rest and eating

Available as 3.6m x 2.4m & 4.8m x 2.4m (12ft & 16ft) mobile or 6.0m & 7.3m (20ft & 24ft) jackleg – see below over more details.

- Welfare area complete with tables and seating, hot water sink, hand soap, paper towels, waste bin, drinking water container, fire extinguisher
- Self-contained chemical toilet - serviced weekly, (emptying, refilling and replenishment of consumables)
- Full forearm hot wash sink unit in toilet compartment
- Drying room with hat & coat hooks and heater
- Highly secure - anti-vandal design with internal five lever, insurance approved mortise locks, anti-jemmy doors and window shutters.
- Built-in super-silenced generator securely housed within the unit.
- Wheel clamps are supplied as standard on COMBI-GEN[®] mobile units.
- Optional compliancy kit (including kettle, micro-wave and first aid kit) available as a sale item only.
- 3.6m (12') mobile COMBI-GEN[®] incorporates a **fully retractable axle** for additional security.

Built-in Generator

- Compact super-silenced diesel powered generator on anti-vibration mountings.
- Securely housed within the unit with easy access for fuel and oil replenishment.
- Overload avoidance system: a built-in trip circuit allows a number of electrical items to be used at once without overloading the generator.
- Low fuel indicator - visual and audible.
- Carbon monoxide detector fitted as standard.
- Maximum generator running time 50hrs per week (Additional hours charged at £2.90/hr)

All units include a WEEKLY SERVICED CHEMICAL TOILET

Where mains power is available on site and a generator is not required, our COMBI[®] units offer self-contained solutions which can be used as mess units, offices or stores with integral weekly serviced toilet.
