

Welcome to our online brochure.....

We take our contribution to reducing our carbon emissions seriously and are constantly looking at ways to make reductions. We have introduced our brochure in this format to cut down on paper usage and printing processes within our Company and developed our innovative ecoCABIN range of products to go perhaps just a little way towards reducing our carbon footprint and yours!

A little about us:-

“ Incorporated in 1961 we are celebrating our 50th year and we've come a long way since our humble beginnings hiring tools to local builders. We are now an independent supplier of welfare units, portable cabins, stores, chemical and mains toilets, and showers to the construction industry in south east England. We also have an outstanding reputation for our event toilet hire services in the same area.

Throughout the last half century what has been our driving incentive is our attention to excellent customer service and providing innovative, quality products.

We are holders of the PSE Gold Award, Basildon Business Association Environmental Awareness Award and members of the Modular and Portable Building Association. ”

Basildon District
Business Awards
2010
Winner

We hope that our online brochure provides you with all the information you need but if you require any assistance please give our Hire Desk a call on 01268 722304.

We look forward to being of service to you soon.

Introduction http://www.rawley.co.uk/events/event_toilets.html

Single, Mobile and Luxury Mobile Event Toilet Hire

'....helpful'

Rawley have over 20 years experience in supplying toilet hire to events. We will assist you in finding the best solution to your toilet hire requirements.

'....friendly'

Our dedicated, friendly events hire team will ensure you receive the highest level customer service and the best quality products.

'....service'

We have three types of products used exclusively for events. Single toilets, mobile toilets and luxury mobile toilets. In addition we can offer you our cleaning service for larger events and our attendant service for that extra special touch.

**Birthday Party • Wedding • Christening • Garden Party • Civil Partnership
Family BBQ • Sporting Event • School Event • Village Fete • Music Festival
Funeral • Product Launch • Corporate Event • Christmas Party
New Year Party • Engagement Party • Religious and Cultural Festivals**

Helpful Information

The success of your event is important to us. To help you understand a little more about how we operate we've put together some helpful information.

Taking a minute or two to read through this information will ensure that your experience of using Rawley Event Toilets to provide toilet hire for your event is remembered for the right reasons.

If you have any further questions please email us at eventtoilets@rawley.co.uk or contact us on 01268 722311 and our events team will be happy to advise you further.

Delivery

Access will usually be discussed with you when you call or email your enquiry to us. If not, please talk to us about access.

To ensure that delivery and collection of our products goes as smoothly as possible you need to be aware of our access requirements. All of our products are large bulky items and can be very heavy and awkward to deliver.

Single, Standard and Deluxe Toilets/Disabled Toilets/Urinal Units

- We usually make delivery on large vehicles similar in size to a builder's merchant delivery lorry up to 7.5 tonne.
- **Please consider access both on and around your property.** You should think about access to the local area around where you would like the toilets to be delivered - for example road access, parking obstructions and overhead restrictions such as phone or power cables.
- We require a 3m wide access for our delivery vehicle, to within a maximum 3m away from the final positioning of the unit.
- We don't wish to be unhelpful but due to health and safety regulations we cannot manually lift the units. Therefore **we are unable to deliver down narrow alleyways, into garages or over obstacles such as fences or walls, even small ones!**

Mobile and Luxury Mobile Toilets

- Our mobile and luxury mobile toilets vary in size and are towed into position using a 4 x 4 style vehicle.
- Access should be considered for both our vehicle and the towed unit.
- We require solid level ground with good access to site these units. A site visit can be carried out to check that the mobile and luxury mobile toilets can be delivered successfully.

Wet Weather Deliveries

As you can imagine the great British wet weather plays havoc with our deliveries and collections if the units are sited on grass. We suggest that you consider an alternative location on solid level hard standing in case of wet weather conditions.

Our [terms and conditions](#), specifically Section 6, clarify your responsibilities regarding access to the site. Once the units are in position they must not be moved, as this could cause the unit not to work or damage (which could be chargeable) as well as problems when we collect.

Power Requirements

All of our single deluxe toilets, mobile toilets and luxury mobile toilets require a power supply to power the hot water supply, lighting and filter pumps*. We supply a cable of 15 metres and we require a power connection from you. This can be a normal household 13 amp supply or a generator supply with 16 amp sockets.

**in mobile toilets only*

Toilet Paper Supplies etc.....

All of our single toilets and disabled/disabled baby change toilets are supplied with toilet rolls on delivery. For larger events we can supply additional packs of toilet rolls at a cost of £9.50 per pack of 36 rolls.

All of our single deluxe toilets, mobile toilets and luxury mobile toilets are supplied with flat pack toilet paper, soap and paper hand towels as well as a waste paper bin.

Collection

We will remove the toilets and contents from your site and return them to our premises. We are licensed to carry and dispose of the waste at our premises – view our [waste carrier's license](#).

Insurance

We do not provide insurance cover for the hire of our **single standard, single deluxe, disabled or disabled baby change toilets or our urinal blocks**. You may want to consider contacting your insurance company for advice or a specialist insurance company such as Event Insurance Services Ltd. Please follow this link to their website for further information www.events-insurance.co.uk. **Please note that this is an independent organisation and as such Rawley Plant Ltd takes no responsibility for their services.**

We do offer insurance cover for the hire of our **mobile and luxury mobile toilet units**. There is an excess of £500 per unit and the cover is for total loss only. You will not be covered for any damage to the unit caused while on hire: e.g. vandalism or accidental damage so you might want to consider getting extra insurance cover, see above.

Booking Procedure

Either call us, [email us](#) or complete the [contact us](#) form and we will send you a quotation and booking pack either by email or, if you would prefer, by post. Once you have completed and returned this to us with your 20% deposit payment we will send a written confirmation that your booking has been made.

Payment can be made by credit/debit card or by cheque or cash. If you are coming in to our offices to pay cash you will also need to provide two items of identification such as a passport or drivers licence and a utility bill.

The final balance of the hire is to be paid fourteen days prior to delivery.

Once your event is complete you will receive an invoice for your records.

If you have any further questions for us please do not hesitate to call and one of our Friendly Event Hire Team will assist you.

Single Standard Toilets

Our single **standard toilets** are a simple, cost effective way to provide temporary toilet facilities to any event. Ideal toilet hire for music festivals, village fetes, sporting events, family parties and just about anywhere else you would require clean, hygienic, temporary chemical toilets. No power needed.

Each toilet includes:

- Recirculating chemical toilet
- Soft toilet tissue
- Anti-bacterial hand sanitiser
- Coat hook
- Feminine hygiene disposal
- Fully ventilated
- Long-lasting air freshener
- Translucent roof allowing in natural light
- Internal privacy lock
- External lock for security when not in use

Dimensions for Single Toilets

Width - 1.11m (3' 8")

Depth - 1.22m (4')

Height - 2.29m (7'7")

FOR LARGER EVENTS WE OFFER A SERVICE VISIT OR ATTENDANT SERVICE.

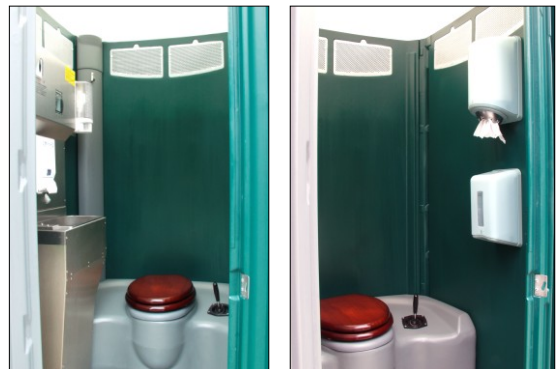

ASK OUR EVENT TEAM FOR MORE INFORMATION – 01268 722311

Single Deluxe Toilet

Our single **deluxe event toilets** have all the same facilities as our single standard event toilets but with the added benefits of **hot water, soap, paper hand towels and lighting**. Ideal temporary, chemical toilet hire solution for your family parties, engagement parties, weddings and smaller events where the comfort of your guests is important, and power is available.

Each toilet includes:

- Recirculating chemical toilet
- Soft toilet tissue
- Mahogany toilet seat
- Auto-sensing electric light
- Soap dispenser
- Hot water hand wash basin
- Hygienic, touch free, water spray diffuser
- Paper hand towels
- Waste paper bin/Feminine hygiene disposal
- Mirror
- Coat hook
- Fully ventilated
- Long-lasting air freshener
- Translucent roof allowing in natural light
- Internal privacy lock
- External lock for security when not in use

Please note a standard household 13 amp plug, 240 volt mains or generator power supply is required for the deluxe toilet.

Dimensions for Deluxe Toilets

Width - 1.11m (3' 8")

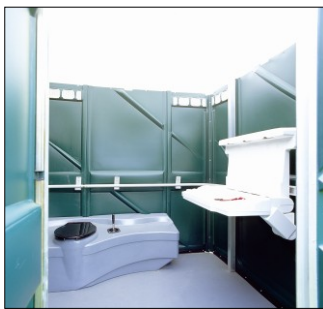

Depth - 1.22m (4')

Height - 2.29m (7'7")

Disabled Toilet/ Baby Change Unit

Our disabled/baby change toilet offers accessible toilet hire suitable for wheelchair and pushchair users alike. It is also a versatile baby changing unit. The spacious entrance and interior allows for wheelchair and pushchair access and sits flat to the ground with no ramp.

The disabled/baby change event toilet unit has the following features:-

- Sits flat on the ground - no need for a ramp
- Anti-bacterial hand sanitiser
- Handrails on all interior walls
- Fold out baby changing platform with secure strap
- Nappy disposal bin/female hygiene disposal
- Long-lasting air freshener
- Soft toilet tissue
- Large easy-to-use internal privacy lock
- External lock for security when not in use
- Fully ventilated translucent roof allowing in natural light
- Fully self-contained

NO mains water or sewage connection required.

Dimensions for Disabled Toilet/Baby Change Unit

Width - 1.96m (6' 5")

Depth - 1.96m (6' 5")

Height - 2.31m (7' 7")

Six Man Urinal Units

Our six man urinal units are a cost-effective and space-efficient toilet hire solution to any event. Perfect for reducing the queues to single units during larger events such as music festivals and sporting events. The six man urinal offers privacy and is fully self-contained.

NO mains water, sewerage or electricity connection required.

The six man unit has the following features:

- Six urinals
- Wide door for multiple user access
- External lock for security when not in use
- Fully ventilated
- Translucent roof allowing in natural light

Dimensions for Urinal Unit

Width - 1.96m (6' 5")

Depth - 1.96m (6' 5")

Height - 2.31m (7' 7")
